“ *Aunt Gloria, When I was graduating college and looking at what would come next in my life, you and Uncle Tom gave me the insight, and confidence that I needed to take my first big steps, and you did it in a way that always made it clear to me that I have family behind me. I'll always remember my summer in West Nyack, and I'll always thank you for that love and support. Love, Scott*

“ Aunt Gloria, you had such an influence on my life. You introduced me to culture and the arts. Our time spent together each summer was a treasure to me and lives on in my memories. I love you.
