“ *Aunty Irene was a dear cheerful woman who easily made friends. She didn't have a mean bone in her body and frequently said "God Bless You" when someone was kind to her or helped her in some way. She enjoyed cooking and baking and was known for her sushi, zucchini bread, and seed granola mix. She was a devout Catholic throughout her life and was always helpful towards others. She will be missed for her smile, kindness towards others, and her cheerful humor.*

We had the honor of getting to know Irene after her dear friend, Nel Arturo passed away. It was truly a blessing to have Irene in our life. She brought so much joy and happiness to us. We loved sharing many good memories of Irene and the wonderful family we met along the way. I know that she is with the lord and am thankful for the love. Kim and Paul Corbell
