“ *Aunty Sia was a beautiful and elegant woman whose laugh could be heard throughout the village. I will always remember her hugs, and how loving she was. Our family has lost another strong woman, and she will truly be missed.*

“ I am glad I had the chance 3 weeks ago to hear your voice, and I wasn't aware it was my last time to hear your voice Aunty. The best part of your journey is that, you will be with your sister Malia and both of you have a lot to catch up on. I also know she was waiting for you! You will also be forever missed and in our thoughts everyday. I will not worry about my mom now that you will keep her company everytime until we meet again someday! May you forever REST IN PEACE AUNTY SIA! Much alofa, Kea.
